MATRIX™ SERIES JUMBO-ROLL TOILET TISSUE DISPENSER

B-52891

Patented

MATERIAL:

Backplate — Durable, high-impact grey ABS. Equipped with a concealed locking device to secure door; keyed like other Bobrick washroom accessories.

Door — Durable, high-impact grey ABS with high-gloss finish on exposed surfaces. Front of door has same degree of arc as other Matrix Series washroom accessories. Radius on corners, edges and top complement other Matrix Series washroom accessories. Secured to backplate with two vandal-resistant screws at pivot point.

Spindles (2) — Removable outer spindle: durable, high-impact grey ABS; snaps into backplate. Fixed inner spindle: durable, high-impact grey ABS; molded as part of the backplate.

OPERATION:

Door unlocks with key provided and swings down for loading dispenser. Spindle accommodates one toilet tissue roll up to 10" (255mm) diameter with 3" (75mm) diameter core, or remove the outer spindle (which is held in place with 3 snaps) from the inner spindle to accommodate a 2-1/4" (55mm) diameter core roll. Slot in door indicates refill time. Unit is designed for quick reloading.

INSTALLATION:

Mount unit on wall or toilet partition with five sheet-metal screws (not furnished) at points indicated by an S. Rear edge of unit should be 20" (510mm) from back wall. This locates toilet tissue within 12" (305mm) of front of standard toilet that projects 30" (760mm) from back wall.

For plaster or dry wall construction, provide concealed backing to comply with local building codes, then secure with sheet-metal screws. For other wall surfaces, provide fiber plugs or expansion shields for use with sheet-metal screws, or provide 1/4" (6mm) toggle bolts or expansion bolts.

For partitions with particle-board or other solid core, secure with sheet-metal screws, or provide through-bolts, nuts, and washers. For hollow-core metal partitions, provide solid backing into which the sheet-metal screws can be secured.

SPECIFICATION:

Jumbo-roll toilet tissue dispenser shall be durable, high-impact grey ABS with high gloss finish on exposed surfaces. Front of door shall have same degree of arc and match other Bobrick Matrix™ Series accessories in the washroom. Radius of corners, edges, and top of door shall complement other Bobrick Matrix™ Series washroom accessories. Door shall be secured to backplate with two vandal-resistant screws at pivot points and a concealed locking device keyed like other Bobrick washroom accessories. Door shall have a slot to reveal toilet tissue supply inside cabinet. Plastic spindle shall accommodate one toilet tissue roll up to 10" (255mm) diameter with 3" (75mm) diameter core. Spindle shall be convertible in the field to dispense a 2-1/4" (55mm) diameter core roll by removing outer spindle furnished in-place. Manufacturer's service and parts manual shall be provided to the building owner/manager upon completion of project.

Jumbo-Roll Toilet Tissue Dispenser shall be Model B-52891 of Bobrick Washroom Equipment, Inc., Clifton Park, New York; Jackson, Tennessee; Los Angeles, California; Bobrick Washroom Equipment of Canada Ltd., Scarborough, Ontario; Bobrick Washroom Equipment Pty. Ltd., Australia; and Bobrick Washroom Equipment Limited, United Kingdom.
